

Legion Legate of Anonymous

The satanic tranny sodomite
Eminem is actively leading cyber
terrorists again.

Marshall Bruce Mathers III or Eminem is a high level satanic Illuminati idol and the top commander of Anonymous hackers inside the United States. Eminem claims he doesn't know how to use a computer yet he works in a rap studio, makes beats and uses high tech electronic systems and computers. Eminem and Anonymous hackers guard the internet through cyber stalking and censorship. They also send electronic messages to people covertly like death threats. Eminem is a pedophile that made a video dressed up like the pedophiles Michael Jackson and Pee Wee Herman and tells boys and girls to shake their ass in his song while children are dancing and also goes on telling boys and girls to touch him. In that video Eminem also dressed up like Santa and had children sitting on his lap. Eminem has also dressed up as a woman on multiple occasions and is therefore a transvestite. Eminem guards the internet by electronically harassing people who speak out. Eminem is the Legion Legate of Anonymous or second in command who acts as the acting leader under the consul. The term "Marshal" in military is a high ranking general or commander. Anonymous are computer hackers that call themselves

Legion. Legion in reference to the legion of devils mentioned in the Bible which occurred in the Roman Empire. Rome called their military regiments legions. Anonymous wear Jesuit Guy Fawkes masks. Eminem is trained in various forms of witchcraft and satanic mind control. Eminem's rap lyrics are designed in sync with the mainframe that the electronic grid is resonating into society. Eminem's songs have satanic mind control spells in them along with subliminal messages. The NSA database is like a giant central processing unit that controls the electronic grid and this includes modern electronics, electrical substations, telephone poles, transformers, and the USAF's HAARP. The NSA through the electronic grid resonates an artificial program into society and they call this program Zion. Through this artificial program they can link words with other words or symbols through numeric codes. This is how they are mind controlling society and individuals. Many members in the entertainment industry like rappers, musicians, and writers are trained in developing spells based on this artificial program they call Zion. The Church of Scientology is deeply involved in this and works closely with Silicon Valley which develops electronics and computer software. Eminem works with Anonymous hackers who track people who speak out. They build profiles on people used for developing psychological torture programs on them. They design spells and radiate them at their victims through electronic emissions. Eminem's motivation for this is that he enjoys being sadistic and is protecting his interests as a pedophile. He works with the producer Rick Rubin who is the top satanic warlock in the music industry. Rick Rubin and Eminem track people online and target them with electronic weapons. Rick Rubin is known as their "hunter." Eminem was signed by Dr. Dre who is a human trafficker and the top boss of the West Coast Crips and both Eminem and Dr. Dre work under the Italian white collar mobster Jimmy Iovine who is worth nearly 1 billion. Another extremely evil associate of Eminem is the Jewish mobster Paul Rosenberg. Eminem is also a Freemason and often wears a pyramid around his neck.

The Bruce clan of Scotland oversee Freemasons in Michigan which assist Marshall Bruce Mathers III. David Hill is the current Grand Master of Michigan. Eminem has

neuro-brain computer interface technology in or around his home in Rochester Hills, Michigan and uses it to harass people through emissions radiated from electronics. He is trained in computer hacking and commands Anonymous through the Dark Web. Eminem is a computer hacker. Eminem even claimed he doesn't know how to use a computer. That is total nonsense. Eminem is one of the most destructive mind controllers in society and is completely sadistic and diabolical. His spells are designed to influence human sacrifice, spousal abuse, transsexualism, pedophilia and many disturbed behaviors in society and his disturbing lyrics are the evidence for this. Eminem made a song about a fictional fan that was obsessed with him who

kills himself and his girlfriend while Eminem plays himself in the song and presents himself as if he is rational and normal. This is completely sociopathic, manipulative, and egotistical. Eminem is also propped up as a demonic cult leader who uses signs and codes to communicate with them as well as using messengers through the Dark Web. The reason Eminem is important in the satanic community is because he has a massive following with tens of millions of fans. I have seen his fans call him a god. Eminem is also worth 190 million. Anonymous members wear Guy Fawkes masks. Guy Fawkes was an agent of the Vatican that attempted to blow up King James and the House of Lords. The British Crown and

Vatican are both evil and corrupt entities that work together and also compete for dominance. Eminem did a commercial for the Agnelli owned Fiat-Chrysler and the Agnellis are married with various Italian nobles involved with the Vatican. Anonymous pretend to be opposed to corruption as their shield and are really sadistic and depraved. There are some fooled followers of Anonymous that are not initiated and corrupted. I believe the third in command or the camp prefect of Anonymous is a man named Kevin Hansen who lives somewhere in the Mid West. Marshall Mathers sacrificed his friend Proof who was shot and killed. Eminem made the music video called "Like Toy Soldiers" where his friend Proof gets shot and killed in the music

video a few years before Proof was literally shot and killed in real life. This is called lesser magic in Satanism. He is even mocking his followers by referring to them as "toy soldiers." Eminem was involved in the sacrifice of Brittany Murphy which was carried out by the satanic Hollywood cult which also used lesser magic in her last movie dying in a bath tub. Brittany Murphy was in the movie 8 Mile with Eminem. Eminem is a satanic ritual abuser architect and was involved in programming women like Katy Perry which is why she dyed her hair blond and why she has become extremely evil. Eminem, Rick Rubin, Paul Rosenberg, Dr. Dre, and Jimmy Iovine are extremely murderous, sadistic, cannibalistic, and diabolical.

Eminem is a Satanist and in his lyrics he promotes pedophilia, human sacrifice, and cannibalism. Marshall Mathers is extremely arrogant and thinks he can get away with raping, murdering, and cannibalizing children because he famous. This devil needs a bullet to his head.

Eminem lyrics

"There's several different levels to Devil worshipping: horse's heads, **human sacrifices, cannibalism**; candles and exorcism. **Animals havin sex with 'em**; camels mammals and rabbits But I don't get into that, I kick the habit - I just, beat you to death with weapons that eat through the flesh **And I never eat you unless the fuckin, meat looks fresh**" - Eminem

"Put your hands down, bitch, I ain't gon' shoot you I'ma pull you to this bullet and put it through you **Shut up, slut, you're causing too much chaos Just bend over and take it like a slut, okay, Ma?**" - Eminem

My baby's mom, bitch made me an angry blond So I made me a song, killed her and put Hailie on I may be wrong, I keep thinking these crazy thoughts in my cranium But I'm stuck with a crazy mom (Is she really on as much dope as you say she's on?)." - Eminem

"I ring the bell for service and I was greeted by his mother Covered in dry blood, head still dented from the shovel I said I need a room so I could try to get some rest She gave me the keys to the best suite and a bag of cess And told me that's just for starters, **Satan'll be in to see me later To see if I'm interested in being partners**" - Eminem

Image from Eminem's pedophile video called Just Lose It where he dressed up like Santa with children in his lap.

Eminem is a pedophile and worse things. Eminem commanded an army of cyber terrorists on Reddit to attack, threaten, and slander me in defense of him. I had about 100 cyber terrorists harassing me online for months after posting this article on Reddit. They literally falsely accused me of everything that I exposed about Eminem and even called me a drug addict in defense of Eminem. Eminem is a well known and admitted drug addict who brags about doing every drug in existence. Eminem also commanded cyber terrorists to harass me on Reddit for months and they continually threatened me with Eminem is going to "sue me" for exposing him. Nearly everything I am exposing about Eminem like him being a Satanist, pedophile, and cannibal is from his own lyrics and videos. Eminem claims to be the "head of the Illuminati" "owner of the Vatican" and the "highest sorcerer on the planet." That is what he claims because of his demonic ego. Eminem is managed by the Colonna family.

Matthew Ayasse is an Anonymous computer hacker and pedophile who shares snuff films of children being murdered. After I originally exposed Eminem as the top commander of Anonymous and exposed that Eminem is a pedophile who dressed up as Santa then Matthew Ayasse made his Facebook profile picture of himself with a

Santa beard to show his support. He wears a hat saying savage because that is what he is. A sub human heathen involved in barbaric crimes like murdering and cannibalizing children. Matthew Ayasse also needs a bullet to his head.

Other Words from **savage**

barbarian, barbaric, barbarous, **heathen**, heathenish, natural, **Neanderthal** (or Neandertal), rude, uncivil, **uncivilized**, uncultivated, wild

Eminem: **'I Don't Know How To Use A Computer'**

Eminem claims he doesn't know how to use a computer because he is trying to deflect away from the fact he is a trained computer hacker and commands Legions of Anonymous hackers through the Dark Web. Eminem is a rapper and also a music producer which means he uses high tech electronics like the TC Electronic 2290 Dynamic Digital Delay. There is no way he is a music producer and can't use a computer. Rap studios are hooked up to computers. He obviously uses computers for listening to music and samples.

"but, did you ever like michael jackson"

EMINEM

"michael jackson was one of my idols"

Eminem video of Just Lose it where he is dressed up like Michael Jackson the pedophile and is in bed with children and also dressed up like Pee Wee Herman who was arrested for having child pornography. Eminem also dresses up as women in this video. Lyrics in this song include:

"Now I'm gonna make you dance
It's your chance

Yeah boy shake that ass,

Oops I mean girl girl girl girl"

"Um num num touch my body

Um num num touch my body

Ooh boy just touch my body

I mean girl just touch my body"

((and this is while there are little boys and girls dancing in the video.))

Eminem is a transvestite.

More evidence that Eminem is a transvestite as well as a pedophile based on his song Just Lose It and a cannibal based on the lyrics in the song Dead Wrong. Putting all of this together Eminem dresses up as a woman, rapes children, murders

children, and cannibalizes them. The Illuminati and secret societies are obsessed with that.

LaVey wrote that the terms "fascination" and "glamour" have origins in the world of "coercive" magic. The word "fascination" comes from the Latin word "fascinare", which means "**to cast a spell upon**". [37] This system encourages a form of **manipulative role-play**,

LaVey explains that, in order **to control a person**, one must first attract his or her attention. He gives three qualities that can be employed for this purpose: sex appeal, sentiment (cuteness or innocence), and **wonder**. He also advocates the use of odor.[40]

After investigating more than **300 missing children cases**, officials have more information regarding the sweep and what has happened since finding 123 of those reported missing.

At least 301 missing children cases were given another look recently, encompassed in an overall human trafficking operation to identify potential victims, but a small percentage of the children found were actually suspected of having been victims of trafficking.

Michigan State Police Lt. Michael Shaw said they are **continuing to look for the 200 children still listed as missing.**
